MAYSVILLE DISTRICT EPWORTH LEAGUE INSTITUTE

The first meeting of the Maysville District Epworth League Institute, composed of Epworth League Chapters in this immediate section, was held Saturday at the Methodist church, in this city, the program beginning at ten o'clock, with Miss Elizabeth Lilleston, of Paris, District Secretary, presiding. The event was an all-day meeting, attended by a large number of delegates from Paris and several of the surrounding cities in the district. This, the first meeting of the kind to be held by the League, was voted an unqualified success. The next meeting will be held at Millersburg, in 1922.

The program opened with the devotional exercises conducted by Miss Laura Lilleston, of Paris, followed by a report on Junior League Work, by Mrs. J. E. Savage, of Lexington, Superintendent of Junior Work of the Kentucky Conference. Other interesting features of the program were: The Intermediate report by Miss Louise Kohlase, of Winchester, Intermediate Superintendent of the Kentucky Conference; Spiritual Work, report by Dennis V. Snapp, former president of the State League; Social Service, report, by Rev. J. R. Savage, Lexington, Chairman Epworth League Board; reports from League Chapters in the district; Round Table Discussion, "Methods of Conducting the Epworth League," Rev. C. H. Greer.

Following luncheon, Mrs. H. A. Power presided at the devotional exercises, which was followed by a business session, address on "Recreation and Culture," by Mrs. H. A. Palmer, of Carlisle, reports on Missions by J. A. Bricken, of Lexington, president of the League. Mr. Bricken also delivered the closing address.

SUNDAY NIGHT AUTO ACCIDENT INJURES THREE

Two automobiles were completely demolished and three persons severely injured in a head-on collision which occurred Sunday night about 6:30 o'clock, near the residence of Mr. C. L. Marshall, one mile from Millersburg.

Miss Jessie Crisp, formerly a member of the Paris High School faculty, her mother, and Miss Jordan, of the Millersburg High School faculty, accompanied by Mr. Ray Stipp, of Paris, were en route to Millersburg from Paris, Miss Crisp driving the machine. Approaching in the other direction a large car, in which were two young men from Salt Lick, whose names have not been learned, driving on the wrong side of the road crashed into the car driven by Miss Crisp. The force of the collision drove the engine of the young men's car through the radiator of the other car. The occupants were thrown forward with great force. Miss Crisp sustained a deep gash on her arm, and in the head, her mother's arm was cut and bruised. Miss Jordan was also slightly injured. The occupants of the other car escaped injury and made a quick getaway from the scene. It was said they were intoxicated.

The injured people were taken into Millersburg, where their injuries were given medical attention. Mr. Stipp was brought to his home in Paris. The cars were wrecked and were sent to a garage yesterday for repairs.

COMMERCIAL CLUB NOTES

A meeting will be held at the Commercial Club office at 7:30 o'clock tonight (Tuesday) to decide whether it would be feasible to hold a big exhibit in Paris next month. Tentative plans for the exhibit include the holding of a fashion show which would be presented in the form of a pageant depicting the history of the county and State, an agricultural exhibit, which would include corn and tobacco shows, and an automobile exhibit at which all the principal make of automobiles would be displayed.

At this meeting a number of the merchants, the auto men, and several representatives of the county farm bureau will be present, as well as several who are interested in the presentation of a historical pageant. The meeting will be open to all interested and especially the merchants are urged to attend.

POPULAR PASTOR RETURNED FOR ANOTHER TERM

At the recent session of the Kentucky Conference of the Methodist Church, South, which convened at Somerset, Rev. C. H. Greer was re-elected to the Paris church for the ensuing year.

Rev. Greer has served the Paris congregation for the past two years, during which time the church, under his capable leadership, has been steadily strengthened in all its departments of work. The attendance upon church services and the Sunday school shows an increase over last year, and already plans have been formulated for a better organization for the coming year. Rev. Greer has a host of friends in Paris and Bourbon county who are pleased to know that he has been returned to Paris, and his congregation gladly welcome him back as their faithful minister for another year. He is a popular pastor, an earnest speaker and a most likeable Christian gentleman.

R. S. PORTER PRESENTED WITH HANDSOME DIAMOND PIN

Shortly before his departure for West Baden Springs, Indiana, for a ten-days' stay for the benefit of his health, Mr. Robert S. Porter, popular newspaper man, was called by an urgent message to the office of the Lexington Herald's representative. Upon entering Mr. Porter at once scented an air of mystery about the place, and asked for an explanation.

Several prominent Paris business men, including A. J. Fee, Chas. P. Mann, Secretary W. E. Hacker, I. W. Bush, and others, were assembled in the office. They were as solemn as a meeting of the KuKlux Klan. Finally, after allowing Mr. Porter to remain in a state of wonderment for a few moments, Mr. Bush stepped forward, and on behalf of the assembled guests, presented Mr. Porter with a beautiful cluster diamond pin (retail price, ten cents, at the Kress Store) in token of their appreciation of his worth, and as an expression of their love. Although "overcome" by emotion, Mr. Porter made a short speech accepting the magnificent gift, and is now sporting it on his manly bosom.

POULTRY CULLING TO BE DEMONSTRATED

Two poultry culling demonstrations, showing how the hen which is a good layer can be distinguished from the one that is a poor layer, will be given in Bourbon county today (Tuesday) by A. F. Chaplin, of the University of Kentucky.

The first meeting will be held at the home of Mr. and Mrs. George Current, on the Peacock pike, at ten o'clock this morning. The second meeting will be held at the home of Mrs. Neff, at Jacksonville, at two o'clock. Everyone interested in poultry culling is cordially invited to attend these demonstrations.

BOY SCOUTS ON ALL-DAY HIKE

Headed by Scoutmaster J. C. Scott, member of the Paris High School faculty, and carrying with them complete camp equipment, about twenty Boy Scouts of Paris went on an all-day "hike" Saturday, taking in the territory immediately adjacent to Paris, from the North Middletown pike, to Maple Island, in Stoner Creek, a distance of about six miles.

Upon arrival at the island the boys set up their tents, and made camp like old veterans. They prepared their meals, and conducted the entire affair with the ease of experienced campaigners, returning to Paris late Saturday night. Besides their regulation camp equipment each Scout carried a compass, hatchet, pike staff, and blanket roll.

A Paris man who has been with a camping party near the scene of the Boy Scouts' hiking place told a good one on them. It seems that an order of the day was to search out a party of Scouts and trail them from one place to another. The leaders had marked their trail by dropping grains of white corn at close intervals. The trackers did all right until they came to a big tree in the center of an open field, where the trail vanished. Baffled, they returned and reported to Scoutmaster Scott the loss of the trail. An investigation disclosed the fact that the tree under which the trail vanished was populated by a large colony of turkeys, which had gobbled up the corn as fast as it had been laid, consequently the trail was "a blind one" for the Scouts.

"THREE L" MARKERS ON HIGHWAY EXPLAINED

Many Paris people have wondered what the letters "L L L" painted in white on certain telephone poles in the city and county meant. The explanation is furnished by a member of the local branch of the Kentucky Motor Club, as follows:

"The letters stand for 'Louisville, Lexington and Latonia' Highway, and in the three-course automobile course between those three cities passing through Paris, over the Georgetown pike, on to Cynthiana, and then into Cincinnati."

"The new trail follows the Midland Trail from Louisville into Lexington, then down the Lexington pike, into Paris, making the turn into Eighth street at Main, then out the route indicated above. These letters indicate to the tourists the route of the new highway. From Paris the highway leads to Latonia on a direct line."

The bands have a white field, with the black letters "L L L" in the field. Below and above are orange stripes, under which appears an L or R, which indicates the direction of a turn in the highway when near a curve.

In connection with the above the Paris Commercial Club has, recently had direction signs placed on all the roads leading from Paris to direct tourists into the city, and indicating the way to surrounding cities, and the mileage. The signs are in the shape of large wooden arrows, neatly lettered with the necessary information.

COMMERCIAL CLUB DISCUSSES THINGS IN GENERAL

Matters of general interest to the welfare of Paris were discussed at a recent meeting of the Paris Commercial Club. M. Peale Collier submitted a report of the successful effort made by the Paris delegates to secure a rerouting of the Dixie Highway through Paris. The matter of securing a better telephone service for Paris was discussed by the directors. Secretary Wm. E. Hacker submitted the results of recent tests made of the city water taken from hydrants at six different locations, five of which showed sewage contamination and unfit for use without boiling. A committee composed of Charles W. Spears, M. Peale Collier and B. M. Renick, appointed to take action on the water situation, announced that a meeting will be held in the next few days for the purpose of continuing efforts to obtain a lower rate and to work in the interest of a purer water supply.

BASE BALL NOTES

The base ball championship of Paris and Bourbon county for boys under fifteen years of age, is claimed by the Paris Pirates, that team, according to the "dope" handed out by Arthur Hancock, Jr., having won five games lost only one this season. In the game which was lost the Pirates' pitcher was hurt. The Pirates are very proud of the good record made by the team this season.

The Paris Red Sox, (colored), defeated the Louisville Giants in a game at the Ruckerville ball park Sunday afternoon by a score of 3 to 1.

Paris and Cynthiana, old-time rivals, met in a hotly-contested game at the Second street ball park Sunday afternoon, the locals taking the long end of the score by a margin of one run. The Paris team landed on Padgett's delivery in the second inning for a total of four runs, and added another in the last half of the ninth, when Woods laced out a hot one, which carried him around the circuit. Cynthiana was held scoreless until the fifth inning, when by hard hitting and good base running they put over three runs, adding another in the sixth, tying the score. Shepherd, formerly of the South Atlantic League, was on the mound for Paris, and pitched an excellent game. The batteries were: Paris—Shepherd and Carter; Cynthiana—Padgett and McIlvaine. Umpires—McDermott and Curle. The attendance was probably the largest of the season.

The features of the game were the pitching of Shepherd and Landis, fielding by Mann and batting by Woods for Paris, and batting by McIlvaine, for Cynthiana. The score by innings:

R H E
Cynthiana . . . 000 031 000—4 5 3
Paris 400 000 001—5 6 1

The next game in the Church League series will be played at the Second street park this (Tuesday) afternoon between the Presbyterians and Methodists. The latter team now hold first place in the League race, and going fast. The game will be called at 2:30 o'clock promptly.

The Winchester Hustlers took the Lexington Reos into camp Sunday afternoon on the Lexington grounds by a score of 4 to 1. Tommy Long, of the Louisville Association team, was on the mound for the Hustlers, and was far better supported than the opposing pitcher, Jimmie Park.

HIGH SCHOOL NOTES

A two-year course in Home Economics, Mrs. Maude Asbury, B. S., Director, is offered in the High School. This course is planned to fit the students for the various activities in the home. These include preparation and service of meals, buying of food and clothing, making and caring for the family clothing, planning, furnishing and cleaning the house, child care and feeding, and home nursing, which includes invalid cookery.

The Home Economics work has been divided into two semesters, in which the foods will be given first and the clothing work the second semester.

Organizing the work into unit courses that extend through a few weeks has been found a very satisfactory and interesting arrangement for the entire year.

Units in the foods course are, elementary dietetics; preservation of foods; planning, cooking and serving of breakfast, lunch and dinner; packed lunches; child care and feeding; home nursing and invalid cookery, and entertaining.

Units offered in the second semester will include buying, making and care of garments; millinery; costume and design; home decoration; refurnishing of furniture and rooms; cleaning and laundry.

Throughout the course care will be taken to show the relation of proper food, clothing and shelter, to health.

The Home Economic Department of the Paris High School is on the Smith-Hughes foundation and is therefore under State and Federal inspection. The library and equipment are being improved.

The Paris High School will pass the three hundred mark this year and will be one of the largest High Schools in Kentucky. The organization of the school was thoroughly worked out before school opened, so from the start all class work has been going perfectly.

At the end of the second week there were more than 270 in the High School, seventy-two more than at the same time last year; 728 in the grades, sixty-nine more than at the same time last year, a total of 998.
